Trial Court Case No. 4FA-12-02365CI		

Having considered the March 12, 2019 request by Appellants Martinez for judicial notice of a new pleading in Case No. 3AN-18-9425 CI, the non-opposition by Appellant Burnet, and the lack of response by Appellee Government Employees Insurance Company,

IT IS ORDERED: The court will **ACCEPT** the filing and consider it solely as it relates to the request by Appellants Martinez for judicial notice of certain filings from that case — which may or may not be relevant to the issues on appeal in this case — without a determination at this time whether judicial notice of any kind is warranted.

Entered at the direction of an individual justice.
